INDEPENDENT AUDITOR'S REPORT

BOARD MEMBERS

National Mediation Board

We audited the accompanying balance sheet of the National Mediation Board (NMB) as of September 30, 2012, and the related statements of net cost, changes in net position, and statement of budgetary resources for the year then ended (the principal financial statements). These financial statements are the responsibility of NMB management and were prepared by NMB in accordance with Office of Management and Budget (OMB) Circular A-136, *Financial Reporting Requirements*, as amended. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with *Government Auditing Standards*, auditing standards generally accepted in the United States, and OMB Bulletin No. 07-04, *Audit Requirements for Federal Financial Statements*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the principal financial statements referred to above present fairly, in all material respects, the financial position of NMB as of September 30, 2012, and its net costs, changes in net position, and budgetary resources for the year then ended in conformity with accounting principles generally accepted in the United States.

The information in the *Management and Discussion Analysis* section of this report is not a required part of the principal financial statements, but is supplementary information required by U.S. generally accepted accounting principles. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of this information. However we did not audit this information and, accordingly, we express no opinion on it.

We issued a draft of this report to NMB management and requested its comments. Management replied by indicating its general agreement with the audit results. In accordance with *Government Auditing Standards*, we issued separate reports dated October 26, 2012 on NMB's internal control and compliance with laws and regulations. Our reports on internal control and compliance are an integral part of an audit conducted in accordance with *Government Auditing Standards* and, in considering the results of the audit, those reports should be read together with this report.
